

HD CalClean®

Electronic Cell Cleaner

NEW

From the Leaders in Coil Cleaning Technology

HD CalClean Electronic Cell Cleaner is a ready-to-use formula specifically for Electronic Air Cleaners

- An extra-strong liquid blend of surface-active agents, grease solvents, alkaline cleaners, corrosion inhibitors and water conditioners.
- Reacts rapidly with tobacco tar residues, gummy dust particles and other stubborn caked-on dirt.
- Ready-to-use. Spray on and rinse away the most stubborn deposits.
- Outcleans ordinary detergents to keep electronic air filters operating at peak efficiency.
- Won't corrode or tarnish aluminum or other metals.
- Effective on evaporator coils and condenser coils where rinsing is possible.
