INNOVATION – New and unique design allows for easy installation and fast cartridge replacement.

FLEXIBILITY – Patented modular connection system and rotational head design makes Krystal Guard the most flexible system available in the market today. It can accommodate water flow from any direction.

FUNCTIONAL – Three cartridges are available:

- Prefilter,
- Taste/Odor/Particulate and
- Taste/Odor/Particulate/Scale Control.

QUALITY – Cartridges are rated to 21,000 gallons...the highest capacity of any comparable system.

CERTIFICATION – System tested and certified by NSF International against ANSI/NSF Standards 42 and 53.

CAPACITY – Available in single, double, triple and quad systems.
