 Nu-Calgon

Liquid Ice Machine Cleaner

FOOD GRADE PHOSPHORIC ACID

*A Safe and Effective Descaler
for Ice Machines*

**Highly
Concentrated**

**FOR PROFESSIONAL
USE ONLY**

Nonfood Compounds
A3
Registration # 145304

8 fl. oz. (236 ml) (13.2 oz a.v.)

DIRECTIONS FOR USE:

This product must be used in accordance to the following directions by HVACR professionals only.

1. Leave ice machine pump in operation but turn off refrigeration.
2. Drain unit and refill with fresh water.
3. Add Liquid Ice Machine Cleaner to water in unit. Use one bottle for up to 3 gallons of water, or one fluid ounce of product for every 48 fl. oz. (3 pints) of water.
4. Allow cleaner to circulate for about 30 minutes. If solution does not contact all scaled surfaces use a brush to get cleaning solution to those parts. If scale is extra heavy, another dose of cleaner may be necessary. Ice machine drums may be cleaned by adding bottle of cleaner to a glass or plastic container holding two quarts of water and brushing the solution on the scaled surfaces.
5. After scale has been removed, drain out all the water and flush thoroughly with fresh water.
6. DO NOT use on nickel plated or galvanized surfaces. On these surfaces, you should use Nu-Calgon's Nickel-Safe Ice Machine Cleaner.
7. Do not mix with chlorine bleach.

DANGER

Causes severe skin burns and eye damage.
May be corrosive to metals.

PREVENTION: Do not breathe mist or vapour. Wash thoroughly after handling. Wear protective gloves, protective clothing, eye protection and face protection. Keep only in original packaging. **RESPONSE:** Absorb spillage to prevent material-damage. **IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting. **IF ON SKIN (OR HAIR):** Take off immediately all contaminated clothing. Rinse skin with water or shower. Wash contaminated clothing before reuse. **IF INHALED:** remove person to fresh air and keep comfortable for breathing. Immediately call a POISON CENTER or doctor. Specific treatment (see information on this label). **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. **STORAGE:** Store locked up. Store in a corrosion resistant container with a resistant inner liner. **DISPOSAL:** Dispose of container in accordance with local, regional, national and international regulations.

KEEP OUT OF REACH OF CHILDREN.

MEETS FORMER USDA GUIDELINES.
