Sealing & Caulking Cords

3/8" INSULATION SEALING CORDS

APPLICATION:

Sealing compound developed and manufactured for use in many insulating and general maintenance applications.

DIRECTIONS FOR USE:

- Cords are arranged between paper so that one cord at a time may be uncoiled or the entire group unrolled.
- No tools are required, press cords in place with thumb or forefinger- no mess, no smear.
- Openings must be clean and free of moisture, grease, or loose particles. Adheres to any clean, dry surface.
- Stays elastic and will not harden, crack, or shrink.
- Non-staining and may be painted immediately; will not yellow white paint.
