

Green Clean is a pleasantly-scented product designed for the rapid removal of grime and other heavy soils. It penetrates quickly, emulsifying the deposits for easy rinsing. It is safe, non toxic, biodegradable and non-flammable.

DIRECTIONS FOR USE:

This product must be used in accordance to the following directions by HVACR professionals only.

1. Goggles and gloves are recommended.
2. For general cleaning, mix 11 parts water to 1 part Green Clean. The solution can be applied with any of the Nu-Calgon sprayers. For fabric and vinyl upholstery, truck, boat and RV (exteriors), mix with 30 parts water. For linoleum, floor tile, no wax floors and general carpet cleaning, mix with 50 parts water. For glass windows, mirrors, stainless steel, mix with 150 parts water (about 1/4 oz. Green Clean in one quart of water).
3. Spray cleaning solution onto dirty surfaces and allow it to remain in contact for several minutes. Rinse surface thoroughly with water or wipe surface with a clean, damp cloth when using a highly diluted solution.
4. When container is empty, rinse, replace cap and dispose of properly.

Green Clean

ALL-PURPOSE CLEANER

*Heavy Duty Formula
Concentrated Cleaner*

**Pleasantly Scented Degreaser
Environmentally Friendly,
Biodegradable**

FOR PROFESSIONAL USE ONLY

1 U.S. Gallon (3.8 Liters)

AFFECT ON ROOFING MATERIAL: depending on its composition and condition, the color and finish of roofing material can be affected by coil cleaners (e.g. discoloration or tarnishing). It is recommended that the coil cleaner be tested on a small area of the roof prior to cleaning, particularly galvanizing or standing seam metal roofs.

RUBBER ROOFS: in general, the product is safe on rubber. Where the rubber roof is impregnated with aluminum chips (i.e. modified bitumen roof), we recommend testing a small test area.

WARNING

Causes skin irritation. Causes serious eye irritation.

PREVENTION: Wash thoroughly after handling. Wear protective gloves. Wear eye/face protection.

RESPONSE: If on skin: Wash with plenty of water. If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash it before reuse. **If in eyes:** Rinse cautiously with water or several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

Inhalation: If symptoms develop, move victim to fresh air. If symptoms persist, obtain medical attention. **Ingestion:** If swallowed: Rinse mouth. Do NOT induce vomiting. If symptoms develop, obtain medical attention.

STORAGE: Store away from incompatible materials. **KEEP OUT OF REACH OF CHILDREN.**

DISPOSAL: Dispose of contents/container in accordance with local/regional/national/international regulations.
