DIRECTIONS FOR USE: This product must be used in accordance to the following directions by HVACR professionals only. Place the Gel Tab into the condensate pan in such a fashion that it will become readily wet from condensate and lock into place. The active ingredients are slowly released, providing protection for 3 months. Multiple Gel Tabs can be combined to achieve the proper treatment for larger systems. Gel Tabs are non-toxic when used as directed. Not for use in potable water. Not a food product.

DANGER:

Harmful if swallowed. Causes skin irritation.
Causes serious eye damage.

Prevention: Wear protective gloves/eye protection/face protection. Wash thoroughly after handling. Do not eat, drink or smoke when using this product.

Response: If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center/doctor. **If swallowed:** Call a poison center/doctor if you feel unwell. Rinse mouth. **If on skin:** Wash with plenty of water. If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash before reuse. **If inhaled:** Remove person to fresh air and keep comfortable for breathing.

Storage: Store away from incompatible materials. **Disposal:** Dispose of contents/container in accordance with local/regional/national/international regulations.
